The Theme this year: Ageing with Dignity:

The Importance of Strengthening Care and Support Systems for Older Persons Worldwide " .

Every year on October 1st, the world observes the International Day of Older Persons, a global occasion that acknowledges the priceless contributions of senior citizens and highlights the distinct hurdles they encounter.

We are fortunate to have older people around us, whether they are family, friends, or just general acquaintances. Older people are fonts of wisdom, experience, and storytelling.

They can inspire us to continue striving — or warn us of dangers of which we are unaware. We should look to them for guidance whenever and wherever possible. Unfortunately, far too often we tend to forget — or, worse, downright ignore — the older people in our lives.

October 1 has many reasons why the International Day of Older Persons on, is such a terrific holiday.

Banners will be displayed on Coverdale to remind citizens of this occasion.
